

TMS DIRECT for Individuals

Team Management Profile (TMP) Debrief

TMS DIRECT for Individuals offers you the opportunity to experience the Team Management Profile (TMP) for your personal and professional development. Our TMS L&D Specialists will set up your TMP Questionnaire, interpret your Profile results and assist you to identify action plans to work towards your goals and help you thrive.

What can you gain from a TMS DIRECT for Individuals TMP session?

- Discover more about yourself and your strengths as a leader
- Identify practical strategies to guide you through today's work environment
- Stimulate creative thinking to decide on your next move
- Challenge assumptions on how to lead in your business
- Build stronger relationships with your colleagues and business stakeholders
